Ostuni

Ostuni is one of the most stunning cities in southern Italy famous for the dazzling effect of its whitewashed houses. It is a genuine and charming example of Mediterranean architecture. The city of Ostuni is a series of levels, staircases, small roads, alleys, arches. Hints of the Middle Ages are at hand in every corner, in every view to the sea, in the portal of a palace, in the walls of a convent or the front of a church.

"D'abord, nous avons été très touchés de la délicatesse de l'accueil des propriétaires. La masseria était déjà la maison de vacances où l'on nous attendait dans un cadre authentique et serein, au milieu des oliviers, des amandiers sans oublier les figues que nous nous sommes permis de chiper... Ensuite, agréables vacances dans une région riche de monuments, de traditions culturelles et culinaires."

Mrs. Bernaus - France

"We enjoyed our holidays in Ostuni very much. The house is beautiful, one can see that the owners really take care of the house, where their family once lived. We liked the original furnishing and the architecture of the house. The house is in middle of fields with olive-trees, very calm a wonderful view. The owners have been very friendly and helpful, we had a very good time in this place."

Mrs. Reinichs - Germany

"È un luogo incantato fra ulivi e mandorli da cui senti l'odore del mare in cui il vento e i secoli hanno forgiato la natura. Un luogo in cui vivere una vacanza alla scoperta del mare, dei sapori e delle città di una terra bellissima. Impareggiabile l'ospitalità dei proprietari che è stato un grande privilegio conoscere. Per chi ha dei bambini piccoli e vive in una città passare qualche giorno nella grande casa bianca fra gli ulivi sarà un regalo indimenticabile."

Mrs. Ciocea - Italy

"È stata una settimana fantastica, gente stupenda, masseria incantevole...da film! Tutto quello che la nostra bella Italia sa regalare e nel migliore dei modi devo dire. Ringrazio tutti a partire dai proprietari che sono stati gentilissimi e sempre disponibili. Un saluto anche dai miei zii americani che continuano a scrivermi "siamo stati benissimo! Grazie Ostuni!" Che dire, sono quasi un architetto e non posso fare a meno di consigliare a tutti di provare una vacanza del genere in questa meravigliosa architettura!"

Mr. Damiani - Italy
